I have a dog.

I have a dog.

I have a \_\_\_\_\_ dog.

The brown and white dog is scary.

The brown and white dog is scary.

The brown and white dog is scary.

Some adjectives are not always right in front of the noun, and that is okay as long as the sentence makes sense and the adjectives describe the noun!

How could we write a sentence about this apple?

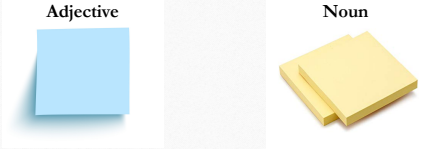

How could we write a sentence about this sky?
